Company: VC3

Location: United States

Category: other-general

Leveraging our standard technologies and process, coupled with our people and corporate structure, we deliver a unique end result for our customers. Our clients will experience increased employee productivity, predictability in capital and operating expenditures, reduced downtime and risk, improved employee morale, less lost revenue and enhanced business agility. The Account Executive is responsible for successfully developing new accounts in assigned markets. **Our People:**

Our team members are collaborative, positive, and dedicated to mutual success. Transparency isn't just a buzzword here; it's a commitment to open communication, ensuring every voice is heard and valued. Guided by our core values — Passionately Curious, Own It, Go Beyond, and Serve as One — we're here to create something extraordinary together.

Our Core Focus:

Our team members play a pivotal role in our focus: Serving those who serve with technologies for today and tomorrow that make life safe and simple. With nearly 30 years of specialized expertise, our team goes beyond conventional boundaries, delivering tailored managed services and cybersecurity solutions to our clients.

Your Growth:

We are a growth minded organization that prioritizes development, offering numerous opportunities for career advancement. Rooted in our core value of being Passionately Curious, VC3 offers a dynamic learning environment, emphasizing hands-on experiences and formal development programs that celebrate continuous learning to propel your career forward.
