Company: ienjoy Home

Location: Clearwater

Category: other-general

### About ienjoy Home:

Since its inception, ienjoy Home has become one of the fastest growing companies in the bedding industry. Everything we do, everything we make, and everyone we hire needs to reflect how grateful we are for the people who make our business possible.

ienjoy Home is now one of the biggest players in the bedding market. So whether you're a sleep enthusiast or an insomniac who's looking to convert to the comfy side, we look forward to living up to the hype.

### Position Overview

The Associate Technical Designer will support the development and execution of home textile development, utilizing expert skills in Adobe Illustrator and InDesign to transform concepts into market-ready technical packs.

### Objectives and Responsibilities

Utilize Adobe Illustrator and InDesign to create detailed technical drawings and design specifications.

Follow detailed instructions to ensure design outputs meet the exact requirements.

Collaborate with the product development team to refine designs and enhance product offerings.

Maintain and organize digital files and design resources.

Participate in review sessions, providing and receiving constructive feedback to improve product outcomes.

### **Qualifications and Experience**

Proficiency in Adobe Illustrator and InDesign is essential.

Strong attention to detail and ability to precisely follow complex instructions.

Previous experience in home textile product development is a plus.

Ability to work collaboratively in a team environment.
