

Athletic Trainer

[Apply Now](#)

Company: JAG Physical Therapy

Location: Bedminster

Category: other-general

Job Summary:

Provide athletic trainer services and applicable administrative tasks to persons and organizations affiliated with JAG PT outreach athletic training contracts.

Essential Functions:

The athletic trainer will practice said profession within the parameters of their state of practice athletic trainer license bylaws and will follow both the Standards of Practice and Code of Ethics as set forth by the National Athletic Trainers Association and Board of Certification. These duties, set forth below, are based on the needs of the contracted organization and JAG PT Athletic Training Services and should not be considered all-inclusive. The Athletic Training Leadership team, as necessary, shall modify the duties.

Establish and maintain an effective athletic training program for the contracted JAG PT organization This includes a functional athletic training room with an updated, site-specific policies and procedures manual

Provide athletic trainer services for athletic events and competition

Provide first aid and injury assessment/treatment/rehabilitation/reconditioning for the athletes affiliated with contracted organization

Documentation of injury, illness, treatment, rehabilitation, etc. in adherence with the JAG PT policy and state of licensure professional practice standards

Create a safe playing environment by monitoring and controlling environmental risks

Provide in-services and educational programs to local schools, coaches, athletes, and communities on health & fitness related topics

Act as the workers compensation case manager for any professional contracted team both in and out of season, submitting all insurance information, facilitating appropriate referrals, tracking compensation claims & reporting back to the professional organization within HIPPA/FERPA guidelines in the event of an accident.

Utilizes effective communication skills to involve athlete, family, and others as necessary and appropriate in plan of care (within HIPPA/FERPA guidelines)

Responsible for collaborating with other JAG PT professionals in programs such as Physical Therapy and physician-related services

Regularly communicate with the supervising physician pertaining to standard operating procedures, developed in agreement with the supervising physician and covering AT, which the AT follows when not directly supervised by the physician

When not at assigned outreach location, the AT will assist with departmental administrative duties and day-to-day operations of their facility

Collaborate with the physical therapy service team in clinics to assist with daily operations

Collaborate with marketing & promotional initiatives, and contribute to departmental improvement & growth projects

Utilize clinical critical thinking and demonstrate ability to translate plans into action keeping in mind both short- and long-term goals and outcomes

Oversee the ordering of athletic trainer supplies and equipment pertaining to the athletic training department and maintain an up to date inventory

Other duties as assigned

Minimum Requirements:

Bachelor's or Master's Degree in Athletic Training (CAATE Approved program) and completion of the BOC certification

Maintain the BOC-required 50 CEU's per certification period (every two years)

Licensed in the state of practice as an Athletic Trainer

Department of Education (DOE) clearance (if working in secondary schools and applicable in state of practice)

Current BLS certification

Maintain Personal Liability Insurance

Flexibility and adaptability necessary to adjust to fluid situations is a must
