## **Broker Support, Trainee Broker, Junior Broker-Future Opportunities Global Broking AMER**

[Apply Now](#)

Company: TP ICAP

Location: New York

Category: other-general

### **Description**

#### **Broker Support, Trainee Broker, Junior Broker – Future Opportunities, New York**

Are you interested in entry-level opportunities in the world of Broking? We are looking for college / university graduates with a keen interest in global financial markets across different asset classes. Please note, we recruit on an ongoing basis so your application may not be reviewed immediately. It is important that you select the Opt-In option on the application as this will allow you to receive notifications when formal roles are released.

#### **TP ICAP Group Overview:**

The TP ICAP Group is a world leading provider of market infrastructure. Our purpose is to provide clients with access to global financial and commodities markets, improving price discovery, liquidity, and distribution of data, through responsible and innovative solutions.

Through our people and technology, we connect clients to superior liquidity and data solutions. The Group is home to a stable of premium brands. Collectively, TP ICAP is the largest interdealer broker in the world by revenue, the number one Energy & Commodities broker in the world, the world's leading provider of OTC data, and an award winning all-to-all trading platform.

The Group operates from more than 60 offices in 27 countries. We are 5,300 people strong. We work as one to achieve our vision of being the world's most trusted, innovative, liquidity and data solutions specialist.

### **About TP / ICAP / PVM:**

#### Tullet Prebon (TP)

A world-leading intermediary in the wholesale financial and energy markets, Tullett Prebon seeks to maximise value for its clients' trading activities across voice, hybrid and pure electronic channels. We offer broking services for a wide range of asset classes, including Equities, Credit, FX, Rates and Insurance Derivatives. Across all asset classes, Tullett Prebon offers e-solutions to give clients the choice to enter prices and execute trades electronically and directly via one of our hybrid electronic trading systems, or to engage with brokers to help identify and negotiate trades.

#### ICAP

ICAP, part of TP ICAP group, provides a wide variety of execution and information services to wholesale market participants. We offer broking services covering a wide range of asset classes, including Commodities, Credit, Equities, FX, Money Market Funds and Rates. For each asset class, ICAP offers e-trading capability, giving clients the option to enter prices and execute trades directly via one of our hybrid electronic trading systems, or to engage with brokers who can identify and negotiate trades

#### PVM

PVM is the world's leading broker of oil instruments, including over-the-counter broking of Swaps, Forwards, and Physical Crude Oil and Refined Products, together with exchange broking of WTI, Brent and Gasoil Futures contracts. Our non-oil business covers broking of Physical and Financial Coal, and EU Carbon Allowances and Offsets. We provide broking and high quality, value-added execution services for Swaps, Forwards, Physical Oil, Refined

Petroleum Products, Futures Contracts and Renewables.

**Role Responsibilities:**

Promote TP ICAP Group.

Provide complete support to the brokers for the smooth running of the desk.

Understand the underlying products being traded and keep up to date with knowledge of new products/procedures.

Monitor markets and follow financial news and developments.

Give live quotes to traders through the messaging systems.

Identify trade opportunities and calculate strategies.

Provide trade details to brokers and traders on a daily basis.

**Experience / Competencies:**

Recent graduate from college or university.

Effective communicator.

Understands the financial markets and has a viewpoint on economy.

Can easily build relationships.

Demonstrates ability to work effectively with others.

Personable and engaging.

Self-starter and willing to go the “extra mile”

Excellent attention to detail.

Proven ability to work under pressure and enjoys working in a fast-paced environment.

Critical problem-solving skills.

Demonstrates high levels of energy in seeking out and achieving new goals.

## Diversity & Inclusion:

The TP ICAP Group is committed to promoting Equality and Diversity and encouraging a culture that actively values difference. It is recognised that employees from different backgrounds and experiences can bring valuable insights to the work environment and enhance the way we work. TP ICAP aims to create a positive, cohesive and inclusive culture, where diversity is valued, respected and built upon. The objective is to recruit and retain a diverse workforce that reflects the global markets in which we work.

TP ICAP is also committed to ensuring that the backgrounds, beliefs and cultures of all its employees are respected and to ensuring that the working environment is free from discrimination, harassment, bullying or any other conduct which causes an employee's suffering. The Group also is committed to encouraging diversity amongst its current workforce and candidates.

\$60,000k-\$100,000k
