Company: Loom Haven Advisors

Location: Fall River

Category: other-general

Company Overview

Our client is a recognized leader in medical care for southeastern New England communities.

Job Description:

As a Non-Invasive Cardiologist at, you will play a pivotal role in diagnosing and managing cardiac conditions through non-invasive techniques. You will work in collaboration with a multidisciplinary team of healthcare professionals to provide the highest standard of care to our patients.

Key Responsibilities:

Conduct comprehensive cardiovascular assessments through non-invasive methods, including echocardiography, stress testing, and vascular ultrasound.

Interpret diagnostic test results accurately and develop tailored treatment plans for patients with cardiovascular conditions.

Collaborate closely with Interventional Cardiologists, Electrophysiologists, and other specialists to provide integrated care.

Educate patients and their families about heart health, treatment options, and lifestyle modifications.

Participate in research and clinical trials to advance our understanding of cardiovascular diseases.

Contribute to the ongoing development of clinical protocols and best practices in non-invasive cardiology.

Qualifications:

Medical Doctor (MD) or Doctor of Osteopathic Medicine (DO) degree

Fellowship training in Non-Invasive Cardiology.

Strong clinical skills in non-invasive cardiology procedures and interpretation of test results.

Excellent communication and interpersonal skills.

Commitment to providing patient-centered care and a strong sense of empathy.

Willingness to collaborate within a multidisciplinary team and engage in continuous learning and professional development.
