Company: CVS Health

Location: United States

Category: healthcare-practitioners-and-technical

Bring your heart to CVS Health. Every one of us at CVS Health shares a single, clear purpose: Bringing our heart to every moment of your health. This purpose guides our commitment to deliver enhanced human-centric health care for a rapidly changing world. Anchored in our brand — with heart at its center — our purpose sends a personal message that how we deliver our services is just as important as what we deliver.

Our Heart At Work Behaviors™ support this purpose. We want everyone who works at CVS Health to feel empowered by the role they play in transforming our culture and accelerating our ability to innovate and deliver solutions to make health care more personal, convenient and affordable.

### Position Summary

Facilitate the delivery of appropriate benefits and/or healthcare information which determines eligibility for benefits while promoting wellness activities. Develops, implements and supports Health Strategies, tactics, policies and programs that ensure the delivery of benefits and to establish overall member wellness and successful and timely return to work. Services and strategies, policies and programs are comprised of network management, clinical coverage, and policies.

### Required Qualifications

- Active KS or MO Compact License

Minimum 3-5 years clinical practical experience preference: (diabetes, CHF, CKD, post-

acute care, hospice, palliative care, cardiac) with Medicare members.

- Minimum 2-3 years CM, discharge planning and/or home health care coordination experience
- Ability to occasionally travel within a designated geographic area for in-person case management activities as directed by Leadership and/or as business needs arise
- Bilingual preferred

### **Preferred Qualifications**

- Excellent analytical and problem-solving skills
- Effective communications, organizational, and interpersonal skills.
- Ability to work independently (may require working from home).
- Proficiency with standard corporate software applications, including MS Word, Excel, Outlook and PowerPoint, as well as some special proprietary applications.
- Efficient and Effective computer skills including navigating multiple systems and keyboarding
- Willing and able to obtain multi state RN licenses if needed, company will provide.

### **Education**

- Registered Nurse with active state license in good standing within the region where job duties are performed is required.
- Bachelor's degree or equivalent experience, applicant would be required to obtain a bachelor's degree within 3-5 years as part of role development, state licensing laws may apply
- Certified Case Manager is preferred.
- Additional national professional certification (CRC, CDMS, CRRN, COHN, or CCM) is preferred, but not required

### **Pay Range**

The typical pay range for this role is:

\$60,522.80 - \$129,600.00

This pay range represents the base hourly rate or base annual full-time salary for all positions in the job grade within which this position falls. The actual base salary offer will depend on a variety of factors including experience, education, geography and other relevant factors.

This position is eligible for a CVS Health bonus, commission or short-term incentive program in addition to the base pay range listed above.

In addition to your compensation, enjoy the rewards of an organization that puts our heart into caring for our colleagues and our communities. The Company offers a full range of medical, dental, and vision benefits. Eligible employees may enroll in the Company's 401(k) retirement savings plan, and an Employee Stock Purchase Plan is also available for eligible employees. The Company provides a fully-paid term life insurance plan to eligible employees, and short-term and long term disability benefits. CVS Health also offers numerous well-being programs, education assistance, free development courses, a CVS store discount, and discount programs with participating partners. As for time off, Company employees enjoy Paid Time Off ("PTO") or vacation pay, as well as paid holidays throughout the calendar year. Number of paid holidays, sick time and other time off are provided consistent with relevant state law and Company policies.
