

## Clinical-Scientific - Stability Operations Assistant

[Apply Now](#)

Company: Pioneer Data Systems

Location: Parsippany, New Jersey

Category: other-general

### Position Details:

Our client, a world-leading Pharmaceutical Company in Parsippany, NJ; Kalamazoo, MI; or Lake Forest, IL is currently looking for a Stability Scientist to join their expanding team.

Job Title: Stability Scientist / LIMS / Pharma Industry

Duration: 6 months contract, extendable up to 36 months

Location: Parsippany, NJ; Kalamazoo, MI; or Lake Forest, IL

Note:

The client has the right-to-hire you as a permanent employee at any time during or after the end of the contract.

You may participate in the company group medical insurance plan

Job Description:

Looking for a self-starter, motivated contractor eager to learn and help the Stability Administration team in the Scientific and Laboratory Services department of Pharmaceutical.

This person would support internal customers in preparing submission-ready reports on stability data and fielding stability-related queries concerning marketed pharmaceutical products, may be involved on limited duration project teams and works closely with manufacturing sites to ensure that all stability commitments are met including receipt and placement of stability lots on condition.

Hybrid position.

Candidates must be local to Parsippany, Kalamazoo, or Lake Forest.

Basic Qualification:

Education:

B.S. and/or M.S. Degree in Chemistry, Biochemistry, Biology or similar technical field (desired)

Experience:

Minimum of 2-5 years of experience in the pharmaceutical industry, familiarity with GMPs and applicable regulations and guidelines (e.g. CFR, EMEA and ICH publications), and standard operating procedures; strong communication (oral and written) and teamwork skills; demonstrated critical thinking skills; close attention to detail and accuracy; demonstrated ability to work both independently and in a team environment; maintains a positive attitude in response to constantly changing conditions and priorities; experienced and comfortable with remote work and remote learning.

Nice to have:

Experience with Stability, LIMS, and Quality Regulatory reports & protocols.

Schedule:

Mon - Fri // First shift (8 hours)

Interview via:

Teams

Comments:

Must be local to Parsippany, Kalamazoo, or Lake Forest

Hybrid - can NOT be fully remote.
