California Correctional Health Care Services (CCHCS) is seeking clinical social workers currently employed with the state of California who are interested in additional appointments to provide coverage in a part-time capacity, up to 44 hours per month. These uncommon positions are available to all clinical social workers currently employed by the State of California. Due to the nature of these dual appointments, the only stipulation is that the additional appointment must be a distinctly different role than your primary job, and you cannot be a supervisor, manager, or executive. Onsite dual appointments at your primary institution may be available.

We currently have opportunities at Central California Women's Facility, located in Chowchilla. This central valley rural town is a short commute from the bedroom communities of Merced and

Fresno. From here, you can enjoy a variety of activities, including exploring Yosemite National Park, discovering regional wineries, or cheering for the Fresno State Bulldogs. If you are interested in additional income and the opportunity to work in a new environment, send your CV to , or call (877) 793-4473 for more information

This is a 12 month Limited-Term position that may be extended to 24 months.

### **Minimum Requirements**

You will find the Minimum Requirements in the Class Specification.

### **Additional Documents**

### **Special Requirements**

Candidates new to CCHCS are required to submit to a background investigation process utilizing Live Scan Fingerprinting, and Tuberculosis (TB) testing prior to appointment followed by department annual TB testing/evaluation thereafter.
