Commissary Contractor Monitor

[Apply Now](#)

Company: Defense Commissary Agency

Location: Goose Creek

Category: business-and-financial-operations

Summary

Serves as a Commissary Contractor Monitor in a commissary store at a Defense Commissary Agency (DeCA) facility. The primary purpose of this position is to conduct quality assurance inspections and contract surveillance duties of specified commissary stocking, order-writing, custodial, receiving, holding and/or other contracted services performed in a commissary.

Duties

Conduct quality assurance inspections and contractor surveillance.

Provide comments and recommendations for additions, deletions, or changes to contractor services to ensure compliance with DeCA directives.

Approve or rejects contractor's work schedule and checks work for quality and timeliness.

Maintain the store's space allocations program by such duties as designating to the contractor proper item shelf locations when shelf tags are missing or otherwise not identifiable.

Advise commissary or contracted order writers.

Act as the commissary manager's representative during the night time hours to ensure government property is secure.

Read the entire announcement before starting the application process.
