Heidelberg Materials is seeking a **Yard Loader Operator** for our Poland facility located in Poland NY.

Heidelberg Materials provides the materials to build our future. Our future is sustainable. Our future is digital. And it goes beyond cement, aggregates and ready-mixed concrete.

Heidelberg Materials North America operates more than 450 locations with approximately 9,000 employees in the U.S. and Canada.

MILITARY VETERANS HEIDELBERG MATERIALS WANTS YOU!

Here at Heidelberg Materials we recognize how military experience can successfully translate into the civilian workforce and we are committed to giving veterans opportunities.

What You'll Get To Do

Are you looking for a long-term position with a stable company? Do you enjoy working with your hands and with large equipment? Heidelberg Materials is seeking a qualified **Yard Loader Operator**. This position will be responsible for efficient control of the raw materials and replenishment process.

Ensures compliance with all health, safety, and environmental regulations, and with company policies and procedures.

Conduct a complete pre- and post-shift safety inspection daily.

Responsible for knowing aggregate products.

Able to estimate weight when loading trucks either visually or grade, maintain stockpiles.

Load customer trucks in a safe and accurate manner.

Communicate with customer truck drivers to ensure quality service.

Communicate repair and safety issues to supervisor and/or mechanic.

Responsible for lubrication of truck and performing minor repairs on equipment

Other job duties as assigned.

What We Are Looking For

Prefer high school diploma or general education (GED)

Prefer two years of heavy equipment experience

Open pit mining operations and aggregate products experience is a plus

MSHA training a plus

Physical Requirements: sitting, standing, walking, pushing, pulling, twisting, climbing, balancing, bending (bending at the waist, lifting above the waist and lifting below the waist), kneeling, reaching, grasping (use of both hands), squatting, repetitive motions, manipulative finger movements with both hands, use of wrists (flexing or rotating with both wrists), use of both feet, use of arms above and below shoulder, work extended periods of time in same position, perform duties in all climates i.e. weather, extreme temperatures, tolerate heights, lift and carry up to 50 lbs., work in confined spaces, capable of wearing respiratory and other personal protective equipment

We appreciate that candidates have many questions when considering opportunities, so we want to let you know that we offer a comprehensive compensation and benefits package, which we like to share with candidates a little bit later in the process.

No search firms please
