About US:

Infosys BPM Limited, a wholly owned subsidiary of Infosys Limited (NYSE: INFY), provides end-to-end transformative business process management (BPM) services for its clients across the globe. The company's integrated IT and BPM solutions approach enables it to unlock business value across industries and service lines, and address business challenges for its clients. Utilizing innovative business excellence frameworks, ongoing productivity improvements, process reengineering automation, and cutting-edge technology platforms, Infosys BPM enables its clients to achieve their cost reduction objectives, improve process efficiencies, enhance effectiveness, and deliver superior customer experience.

Infosys BPM has 42 delivery centers in 16 countries spread across 5 continents, with 57,908 employees from 124 nationalities, as of June, 2023.

The company has been consistently ranked among the leading BPM companies globally and has received over 60 awards and recognitions in the last 5 years, from key industry bodies and associations like the Outsourcing Center, SSON, and GSA, among others. Infosys BPM also has very robust people practices, as substantiated by the various HR-specific awards it has won over the years. The company has consistently been ranked among the top employers of choice, on the basis of its industry leading HR best practices. The company's senior leaders

contribute widely to industry forums as BPM strategists.

EOE/Minority/Female/Veteran/Disabled/Sexual Orientation/Gender Identity/National Origin

Infosys is an equal opportunity employer and all qualified applicants will receive consideration without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status, spouse of protected veteran, or disability.
