## Description

### Introduction

Do you have the career opportunities as a(an) CT Technologist you want with your current employer? We have an exciting opportunity for you to join Rio Grande Regional Hospital which is part of the nation's leading provider of healthcare services, HCA Healthcare.

### Benefits

Rio Grande Regional Hospital, offers a total rewards package that supports the health, life, career and retirement of our colleagues. The available plans and programs include:

Comprehensive medical coverage that covers many common services at no cost or for a low copay. Plans include prescription drug and behavioral health coverage as well as free telemedicine services and free AirMed medical transportation.

Additional options for dental and vision benefits, life and disability coverage, flexible spending accounts, supplemental health protection plans (accident, critical illness, hospital indemnity), auto and home insurance, identity theft protection, legal counseling, long-term care coverage, moving assistance, pet insurance and more.

Free counseling services and resources for emotional, physical and financial wellbeing

401(k) Plan with a 100% match on 3% to 9% of pay (based on years of service)

Employee Stock Purchase Plan with 10% off HCA Healthcare stock

Family support through fertility and family building benefits with Progyny and adoption assistance.

Referral services for child, elder and pet care, home and auto repair, event planning and more

Consumer discounts through Abenity and Consumer Discounts

Retirement readiness, rollover assistance services and preferred banking partnerships

Education assistance (tuition, student loan, certification support, dependent scholarships)

Colleague recognition program

Time Away From Work Program (paid time off, paid family leave, long- and short-term disability coverage and leaves of absence)

Employee Health Assistance Fund that offers free employee-only coverage to full-time and part-time colleagues based on income.

***Note: Eligibility for benefits may vary by location.***

Our teams are a committed, caring group of colleagues. Do you want to work as a(an) CT Technologist where your passion for creating positive patient interactions are valued? If you are dedicated to caring for the well-being of others, this could be your next opportunity. We want your knowledge and expertise!

**Job Summary and Qualifications**

As a CT Technologist, you will be responsible for the provision of computed tomographic radiographs to patients in accordance with physicians' orders. We are an amazing team that works hard to support each other and we are seeking a phenomenal addition like you who feels patient care is as meaningful as we do. We want you to apply now!

What You Will Do In This Role:

- \* You will prepare patients for CT exam, explain procedure and ensure technical quality.
- \* You will promote individual professional growth and development by meeting requirements for mandatory/continuing education.

\* You will possess knowledge of medical terminology sufficient to work accurately within the Imaging Department.

\* You will serve as a mentor and resource to less experienced staff/student.

\* You will work as a team player and meet the needs of the Imaging Department.

What Qualifications You Will Need:

\* Associate Degree, Diploma or BSRT degree in Radiologic Technology is required.

\* Current licensure by the Texas Department of Health as an MRT is required.

\* Current registration with ARRT (American Registry of Radiologic Technologists) is required.

\* Advanced certification in CT required within 6 months of employment.

\* Previous experience in CT in a clinic or hospital setting is preferred.

\* American Heart Association BLS certification is required.

in McAllen, Texas has been serving the Rio Grande Valley for more than 30 years. Our **full service hospital has 320+ beds** and a team of more than 500 physicians representing 35+ specialties. Rio Grande Regional Hospital offers a full range of inpatient and outpatient medical and surgical services. Our Emergency Room is a **Level III Trauma Center** and we have extended our ER services into the Rio Grande Valley with our three remote ERs in McAllen/Mission, Edinburg, and San Juan. Our Women's Services include L&D and a 30+ bed NICU. We also have an entire children's hospital within our main facility to care for the children in our community. We work with the *Texas Transplant Institute, which serves local patients in need of organ, tissue or stem cell transplants*. Our proven track record of serving the medical needs of the Valley communities we serve has led to Rio Grande Regional Hospital being recognized for patient safety and clinical excellence time and time again. HCA Healthcare has been recognized as one of the World's Most Ethical Companies® by the Ethisphere Institute more than ten times. In recent years, HCA Healthcare spent an estimated \$3.7 billion in cost for the delivery of charitable care, uninsured discounts, and other uncompensated expenses.

Bricks and mortar do not make a hospital. People do.- Dr. Thomas Frist, Sr.

HCA Healthcare Co-Founder
