Cyber Security Governance Analyst

Apply Now

Company: Agility Partners

Location: Minneapolis

Category: business-and-financial-operations

MUST HAVE:

Strong reporting/metrics experience, presenting to C level executives, leading/mentoring teams

Experience managing the risk life cycle - taking a risk from identification, building out a remediation/action plan, and managing it through to close

Agility Partners is seeking a qualified Senior Cyber Security Governance Analyst to fill an open position with one of our banking clients. This is an exciting opportunity to navigate complex cyber risk situations, lead teams, and ensure adherence to risk frameworks, fostering a secure environment for the organization's operations. This person will play a pivotal role in supporting the Chief Information Security Officer (CISO) and the Cyber Security organization, driving audit, compliance, and risk remediation efforts. ***The right person can sit in the Minneapolis Twin Cities area or in Columbus, OH.***

Responsibilities:

Manage a portfolio of Audit, Regulatory, Risk, and Self-Identified Findings.

Build strong partnerships and report regularly to senior leadership.

Conduct risk-based evaluations, ensuring timely issue escalation and resolution.

Develop and maintain a roadmap for strategic and tactical initiatives, enhancing

process visibility.

Navigate ambiguity, apply recognized risk frameworks, and ensure compliance with regulatory requirements

The Ideal Candidate

4+ years of IT experience, specializing in Cyber Security

4+ years of experience in ITIL processes

Advanced knowledge of risk management and audit principles and regulatory compliance requirements

Experience in using Archer or other Risk Management systems Experience of cloud technologies

Risk certification (CISSP, CISA or CRISC)

Strong communication skills, both verbal and written, for presenting requirements and issues clearly

Ability to navigate complex situations and build strong partnerships across businesses

Reasons to Love It

This is a great opportunity to work for a mid-sized financial institution that is striving to be the bank of choice; one that focuses on its customers, not its competition. An organization that provides a dynamic, fulfilling work environment that is productive, collaborative and innovative.

Highly visible team with a regional financial services company where your work matters and your accomplishments are recognized!

Amazing opportunity for growth, healthy work/life balance and a community focused environment

Working for an organization that focuses on company culture, inclusion and diversity

On a team whose Core values that include: Can-Do Attitude, Service at Heart and Forward Thinking

50% medical coverage for you and your entire family, short/long term disability and life insurance options

401(k)

Life Insurance

Disability coverage
