Who are we?

Albury Wodonga Health (AWH) is the largest regional health service between Sydney and Melbourne, located in the twin cities of Albury and Wodonga. Our dedicated team of nearly 3,000 staff supports a population of 250,000 people throughout North-East Victoria and Southern NSW. AWH is a dynamic organisation undergoing significant growth, including the development of new state of the art Emergency and Mental Health facilities.

The Opportunity

AWH - Infant Child Youth Area Mental Health and Wellbeing Service is looking for an allied health professional with a desire to work within Autism Spectrum Assessment Team within our cross border sites (Wodonga/Wangaratta). We are looking for a part time applicant that enjoys working within a multi disciplinary team and who assess children and young people inclusive of their families where there is uncertainty regarding diagnosis and ongoing treatment plans.

What's in it for you?

We provide full orientation and training and keep you informed of opportunities for professional development so you can be the best at what you do. We also offer excellent staff benefits including salary packaging and novated leasing, employee assistance and

wellbeing programs, Fitness Passport and discounted private health membership.

Interested?

For more information about the position, please refer to the Position Description attached or contact the Manager listed below. Salary and conditions will be in accordance with the relevant state EBA or Award.

Note: All Health workers are required to be fully vaccinated or have an approved medical contraindication certificate. You will be required to provide a record of your COVID-19 vaccination status if successful.

AWH is committed to Equal Employment Opportunity, Ethical Practice, and the principles of Cultural Diversity and Social inclusion. Applications from Aboriginal and Torres Strait Islanders are encouraged. All appointments are made subject to a satisfactory Criminal Record Check and a Working with Children Check. Successful applicants may also be required to provide evidence of their immunisation status and flu vaccination.
