[Apply Now](#)

Company: Pro-MotionPix, LLC

Location: Idaho Falls

Category: installation-maintenance-and-repair

Title: AutomotiveDealership iPhone Photographer Schedule:Part-time, 2 days per week (no weekends), for a few hours each shift. Route:Idaho Falls You don't need to have an prior experience, we will train you! If you're hard-working, you can work independently, enjoy working outdoors in all weather elements, and are not afraid of physical labor, this could be a career path for you! Many of our photographers love working with cars and photography or just enjoy being outside doing lots of walking and socializing with dealership staff. JOB RESPONSIBILITIES: Using your own reliable vehicle for transportation, and following the provided schedule, you'll go straight from your home to the assigned dealership locations. Using a company provided iPhone, you'll use the company app to walk the lot and locate vehicles that need photos and interactive spins. Locating keys, moving vehicles to staging locations, shooting photographs, interactive spins, communicating with dealers regarding vehicles not found, or not ready for photos are all part of this job! Requirements Reliable vehicle Driver License Manual transmission experience preferred Excellent communication and problem solving skills Customer-service minded; never backing down from a challenge Self-motivated, thriving in an independent work environment Comfortable with technology Interested in learning about automotive photography Live close to the assigned territory A preliminary internet search will be conducted upon submission of application for employment Pre-employment drug screen and background check Benefits Medical Dental 401K Paid Training Sick Pay Company provided equipment Mileage reimbursement between stops Uniform shirts, hat, jacket Hourly pay listed is a combination of base pay, and per-vehicle photo payout

No experience necessary
