Digital Media Editor, CGTN Full Time, 12 month renewable contract  
ABOUT THE JOB  
We are seeking a Digital Media Editor for CGTN's Biz Department. This role involves producing TV programs and digital media content that covers economic news, business trends, market-moving policies, and in-depth analysis for a global audience. As a Digital Media Editor, you will play a crucial role in the entire editorial process, from generating ideas and writing scripts to shooting and post-production.  
YOU WILL NEED TO:  
Edit videos for CGTN.com, CGTN Biz, and various social media platforms.  
Publish videos on a daily basis to provide creative and engaging content for a global audience.  
Generate additional video content tailored for social and digital platforms.  
Shoot and produce videos with visual effects using tools such as Adobe Creative Suite and FCP software.  
Stay up to date with global business trends and innovations.  
Conduct research, write, and edit factual and engaging packages.  
Demonstrate a high standard of editorial judgment and headline writing skills.  
Contribute to the online service with your digital skills.  
Pay attention to detail, be resourceful, and dependable.  
YOU MUST HAVE:  
Experience in video editing software, including Adobe Creative Suite and FCP software.  
Strong understanding of video production processes, including shooting, editing, and post-production.  
Extensive knowledge of and active use of social media platforms, including YouTube, TikTok, Twitter, and Facebook.  
Previous media experience, preferably at a news network.  
At least two years of post-graduate work experience as an editor (required for Visa purposes).  
Proficient English writing and communication skills.  
If you possess the above skills and experience, we encourage you to apply for this exciting opportunity!
