Director of Operations

[Apply Now](#)

Company: Point Blank Enterprises, Inc.

Location: Pompano Beach

Category: other-general

Job Title: Director of Operations

Location: Pompano Beach, Florida (with regular travel to Puerto Rico and the Dominican Republic)

About Us:

Inspire heroism and be a part of the future! At Point Blank Enterprises, Inc. we help *PROTECT OUR PROTECTORS* by developing, manufacturing, and selling body armor to police forces, the defense sector and first responders. We are always looking for the best of the best in our industry. If you share our passion and commitment, please apply today!

Company Overview:

Point Blank Enterprises Inc. is a leading manufacturer and supplier of protective products to US and International law enforcement agencies and militaries. With a commitment to quality and innovation, we provide essential gear that ensures the safety and effectiveness of those who protect and serve our communities.

Position Overview:

We are seeking a dynamic and experienced Director of Operations within the Office of the Chief Operating Officer and reporting to the Chief Operating Officer to support our operations in Pompano Beach, and Miami Lakes Florida, Great Britain, Puerto Rico and the Dominican Republic. The ideal candidate will be a strategic thinker and a hands-on leader with a “player-coach” mentality and proven track record of driving change, improvement and operational excellence and ensuring the highest standards of quality and efficiency. LEAN

Manufacturing and/or Six Sigma Experience Desired. Bilingual English and Spanish required. Comfortable and adaptable to rapidly changing priorities. Successful candidates will have a high sense of urgency and poise and composure under stressful environments.

Responsibilities:

Lead and oversee all aspects of manufacturing operations, including production planning, scheduling, inventory management, quality control, and logistics.

Foster a culture of continuous improvement.

Develop and implement strategies to optimize production processes, increase efficiency, and reduce costs while maintaining high product quality.

Ensure compliance with all regulatory requirements and industry standards related to manufacturing operations.

Manage and mentor a team of production supervisors and operators, providing guidance, support, and performance feedback.

Collaborate with cross-functional teams, including engineering, procurement, and sales, to drive continuous improvement and innovation.

Develop and monitor key performance indicators (KPIs) to track operational performance and identify areas for improvement.

Establish and maintain strong relationships with suppliers, vendors, and subcontractors to ensure timely delivery of materials and components.

Drive initiatives to enhance workplace safety, employee engagement, and overall organizational effectiveness.

Prepare and present regular reports on operational performance, highlighting achievements, challenges, and opportunities for improvement.

Stay abreast of industry trends, best practices, and emerging technologies to drive innovation and maintain our competitive edge.

Qualifications:

Bachelor degree in business administration, finance, operations management or engineering; or a related field; advanced degree preferred.

LEAN Manufacturing and/or Six Sigma Experience Desired

Fully bilingual in English and Spanish

Minimum of 7-10 years of experience in manufacturing operations management, Preferably in regulated industries including auto, aerospace, pharma, defense or law enforcement equipment industry.

Proven track record of success in driving operational excellence, implementing lean manufacturing principles, and delivering measurable results.

Financial acumen Understanding Profit and Loss (P&L) statements, budgeting, and cost control is a plus

Strong leadership and management skills, with the ability to inspire and motivate teams to achieve their full potential.

Excellent problem-solving abilities and strategic thinking skills, with a focus on driving continuous improvement and innovation.

Experience with international operations and supply chain management is highly desirable.

Strong communication, negotiation, and interpersonal skills, with the ability to effectively interact with stakeholders at all levels of the organization.

Willingness to travel frequently to Puerto Rico and the Dominican Republic as needed.

Proficiency in MS Office and ERP systems; experience with manufacturing software and automation tools is a plus.

PHYSICAL DEMANDS

Sitting for long periods. Dexterity and coordination to handle files and single pieces of paper;

occasional lifting of items weighing up to (25) twenty-five pounds such as files, stacks of paper, reference and other materials. Moving from place to place within the office; minimum reaching for items above and below desk level. Strength, dexterity, coordination and vision to use keyboard and video display terminal for prolonged periods.

ITAR Requirements

To conform to U.S. Government commercial space technology export regulations, including the International Traffic in Arms Regulations (ITAR), 8 U.S.C. § 1324b(a)(3), applicants for employment at Point Blank Enterprises, Inc. must be a U.S. citizen or national, lawfully admitted for permanent residence into the U.S. (i.e. current green card holder), or lawfully admitted as a refugee or granted asylum under 8 U.S.C. § 1157-1158.
