### Job Description - Dynamics Consultant (Functional Consultant)

#### About the Role

We are seeking a highly experienced and skilled Dynamics Consultant (Functional Consultant) to join our team. As a Dynamics Consultant, you will play a key role in the implementation and support of Dynamics F&O (Finance and Operations) or AX (Dynamics 365 for Finance and Operations) solutions for our clients.

#### Responsibilities :

Lead and execute Dynamics F&O or AX implementation projects from start to finish.

This includes:

- Business requirements analysis
- Creating and documenting project plans
- Configuring and customizing Dynamics F&O or AX
- Developing and executing test plans
- Providing training to end users
- Conducting user acceptance testing (UAT)
- Managing data migration
- Providing post-go-live support

Have in-depth knowledge of Dynamics F&O or AX functionality, including Finance and Supply Chain Management (SCM).

Excellent communication and interpersonal skills, with the ability to build strong relationships with clients and colleagues.

Experience working in a fast-paced, deadline-driven environment.

Ability to work independently and as part of a team.

Proficiency in Microsoft Office Suite.

**Fluency in Japanese is preferred.**

#### **Additional Information:**

Remote work is possible.

Some travel may be required.
