Success Happens When you Start With your People Do you have big ideas and even bigger ambitions? We are looking for an emergency medicine physician who is passionate about embracing innovation. Sound Physicians brings leadership, organization, technology, and process to confront the pain

points that every emergency department must contend with today including reducing avoidable readmissions, managing patients who make frequent ED visits, implementing efficient workflows, and a commitment to delivering a positive clinician and patient experience.* Commitment to our front-line clinicians* Contributions are valued and rewarded* Clinician-specific performance feedbackHospital emergency departments have become the source of the majority of hospital admissions, so continually striving to improve outcomes in the emergency department is key to a hospital's success. With the goal of always improving patient care and experience, our processes streamline transitions from the emergency department to inpatient admissions. We believe that clinical integration between emergency medicine and hospital medicine teams is imperative. Using our proven processes, our clinical teams align to streamline inter-department handoffs and improve clinical performance and patient experience. When you join Sound, you join an organization that strives to be the unmatched leader in improving quality and reducing the cost of healthcare in the communities we serve. You will feel empowered to be creative and utilize your leadership skills to problem-solve and drive improvement.*Compensation Information:*\$403000.0 / Annually - \$403000.0 / AnnuallyStarting At: 403000.0 AnnuallyUp To: 432000.0 Annually
