

## Endocrinology - Physician - South Avenue, Staten Island

[Apply Now](#)

Company: Mount Sinai Health System

Location: Staten Island

Category: healthcare-practitioners-and-technical

\*The Mount Sinai Health System is currently seeking a full-time Endocrinologist to join its practice at Mount Sinai Doctors Staten Island. \*This multi-specialty practice is located at 1441 South Avenue in Staten Island, NY. Staten Island is the southernmost of New York City's 5 boroughs. It is connected to Lower Manhattan via the Staten Island Ferry, which runs across New York Harbor. With easy access to Brooklyn and Central New Jersey, Staten Island is a residential community, with many attractions for families, such as the Snug Harbor Cultural Center, Zoo, Botanical Garden, and the Staten Island Children's Museum. The large patient community typically stays on Staten Island for their routine care. Mount Sinai Doctors Staten Island offers comprehensive care where patients can see a variety of specialties. Additionally, the site has a comprehensive support team, including medical assistants. Ideal candidates will give excellent care to a diverse community of patients. The selected candidate will play an instrumental role in ensuring excellent patient care, quality outcomes, and satisfaction. In addition, the candidate will be a talented physician with a passion for outpatient medicine and be fully committed to mission of Mount Sinai Health System. The chosen candidates will have the opportunity to partner with world renowned, Icahn School of Medicine. Mount Sinai's Department of Endocrinology is strongly committed to caring for the whole patient and places special emphasis on providing patient-centered care. The division embraces the mission of Icahn School of Medicine by pursuing an integrated approach to patient care, research, and education. Pursuit of all dimensions of these three components, are considered inseparable elements of the art and science of medicine.\*Position Description:\*\* Provide medical care in a high-functioning ambulatory

setting\* Collaborate with multi-specialty practice colleagues as an integral part of a world-class health system\* Benefit from the educational, research, and clinical programs of a nationally ranked Medical School\* Significant opportunities for leadership and career development\* Additional support staff\* Partner with Mount Sinai Diabetes Alliance program\* Share care responsibilities and coverage with other team members\*Position Qualifications:\*\* Medical Degree from an Accredited University\* New York Medical License\* Board Eligible or Board Certified in Endocrinology\* Committed to Mount Sinai and the communities we serve\* Excellent communication, bedside manner, and organizational skills\* A strong work ethic and desire to participate in a team-oriented, performance-driven Health SystemCompensation range from 250K to 350K (not including bonuses / incentive compensation or benefits)\*Salary Disclosure Information:\*Mount Sinai Health System provides a salary range to comply with the New York City law on Salary Transparency in Job Advertisements. Actual salaries depend on a variety of factors, including experience, specialties, historical productivity, historical collections, and hospital/community need. As such, an actual salary may fall closer to one or the other end of the range, and in certain circumstances, may wind up being outside of the listed salary range. The salary range listed is for full-time employment and does not include bonuses / incentive compensation or benefits.\*About Staten Island:\*Staten Island abounds with architectural landmarks, beaches and parkland that you can explore. Many reach the borough via the free Staten Island Ferry, an attraction in its own right. It provides views of the Statue of Liberty, Ellis Island, and Lower Manhattan.Other highlights include shopping at Empire Outlets in St. George and wandering the gorgeous grounds of Snug Harbor and Historic Richmond Town. Motor traffic can reach the borough from Brooklyn via the Verrazzano-Narrows Bridge and from New Jersey via the Outerbridge Crossing, Goethals Bridge and Bayonne Bridge. Staten Island has Metropolitan Transportation Authority (MTA) bus lines and an MTA rapid transit line, the Staten Island Railway, which runs from the ferry terminal at St. George to Tottenville.
