Description

Excellent Internal Medicine opportunity in South West Nebraska!!

Private practice group seeking Internist – Your Choice - Traditional or 100% Outpatient only (hospitalist program)

- Lots of volume; position is due to senior partner cutting back on hours
- Competitive first year salary with incentive
- Fast partnership track; production based compensation
- Student Loan Repayment
- Position does not qualify for J-1 waivers, however H1b visa sponsorship is offered.

We are a full-service medical center that offers inpatient and outpatient services that include home support services, outreach programs, and follow-up care to meet the diverse needs of our patients. Because knowledgeable patients often recover faster, we provide patient education to assist you and your family. It's important for you to be involved in your health care. Let us be your partner when you need medical care for yourself or your family.
