Company: The Center for Men's and Women's Urology

Location: Gresham

Category: business-and-financial-operations

***Calling all physicians with an entrepreneurial spirit!*Have you ever wanted to be your own boss?**

This is a true opportunity to takeover a fully operational, long-term urology practice. Tired of working for a hospital system or dealing with the bureaucracy of a larger medical entity? No start-up costs and no money down. All equipment and staff ready to go. This is a one-of-a-kind chance to work with a board-certified urologist, that has established strong roots in a beautiful Pacific Northwest community. You will work alongside this urologist for a few years, until he retires and turns over the whole practice. Serious inquiries only. This is not an agency or hospital solicitation. Please contact Kaitlyn Coca at 971-274-2366.
