

## Experienced Maintenance Technician

[Apply Now](#)

Company: Grainger

Location: Clarksville

Category: other-general

### Position Overview:

Join our team in Louisville, KY at 8701 Minor Lane, Louisville, 40219! We're searching for a highly experienced Maintenance Technician for Day and Night Shifts.

With benefits starting day one, our programs provide choice and flexibility to meet team members' individual needs. Enjoy pay starting at \$26.11/hr and check out some of the rewards available to you with Grainger:

Medical, dental, vision, life, home & auto insurance plans

401(k) Company Contribution of 6% each pay period

18 paid days off and 6 paid Company Holidays

Employee discounts, parental leave, 3:1 charitable donation matching and tuition reimbursement

Grainger product discounts and free shipping to team members' homes

Safety shoes provided annually

Tools and uniform provided

### Responsibilities:

Maintenance Technicians complete preventive maintenance tasks and routine repairs on automated material handling system components to support the goals of the Distribution Center. You will report to a Facilities Supervisor.

Additional responsibilities include:

Perform preventative maintenance, general repair and complex projects on conveyors, sorters, shuttles, and related automated material handling system assets

Respond to calls for assistance with building issues, conveyor jams or shutdowns and other facility issues

Complete assigned building repairs, including cranes, drill presses, stand grinders, welding equipment, presses (hydraulic/pneumatic), jacks, jack stand, band saws and other equipment

Use computerized maintenance management system (CMMS) to enter daily maintenance activities

Work with contractors, service providers and other Facilities personnel

Operate all automated material handling and mobile equipment within Distribution Center

Maintain all PIE fleet and associate assets, including picking cars, batteries, battery changing equipment, etc.

### **Position Requirements:**

One or more years of building and equipment maintenance experience

Experience with Microsoft and CMMS programs

Knowledge and application of safe work practices, including lockout/tagout (LOTO) standards

Can frequently lift, push, and slide packages typically weighing 50-75lbs.

Experience with mechanical, electrical, plumbing, carpentry, and pneumatic concepts

Experience using electrical multi-meters, hand tools, power tools, welding equipment, calipers, gauges, etc.

Interpret Mechanical/Electrical/Plumbing (MEP) drawings and schematics.

We are committed to equal employment opportunity regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, gender, gender identity or expression, or veteran status. We are proud to be an equal opportunity workplace.

We are committed to fostering an inclusive, accessible environment that includes both providing reasonable accommodations to individuals with disabilities during the application and hiring process as well as throughout the course of one's employment. With this in mind, should you need a reasonable accommodation during the application and selection process, please advise us so that we can provide appropriate assistance.
