Company: Baker Tilly US, LLP

Location: Wellsboro

Category: business-and-financial-operations

Overview Baker Tilly US, LLP (Baker Tilly) is a leading advisory CPA firm, providing clients with a genuine coast-to-coast and global advantage in major regions of the U.S. and in many of the world's leading financial centers – New York, London, San Francisco, Los Angeles and Chicago. Baker Tilly is an independent member of Baker Tilly International, a worldwide network of independent accounting and business advisory firms in 145 territories, with 41,000 professionals and a combined worldwide revenue of \$4.7 billion. Please discuss the work location status with your Baker Tilly talent acquisition professional to understand the requirements for an opportunity you are exploring. Baker Tilly is an equal opportunity/affirmative action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability or protected veteran status, gender identity, sexual orientation, or any other legally protected basis, in accordance with applicable federal, state or local law. Any unsolicited resumes submitted through our website or to Baker Tilly US, LLP, employee e-mail accounts are considered property of Baker Tilly US, LLP, and are not subject to payment of agency fees. In order to be an authorized recruitment agency (search firm) for Baker Tilly US, LLP, there must be a formal written agreement in place and the agency must be invited, by Baker Tilly's Talent Attraction team, to submit candidates for review via our applicant tracking system. Responsibilities Due to the continued growth of our consulting practice, we are currently recruiting an Altera Sunrise Clinical Manager (SCM) Analyst/Consultant and an Altera SCM Medical Logic Module (MLM) Report Writer/Consultant to join our Digital Solutions Healthcare IT team. As a part of the Healthcare IT team, you will find that our global brand and entrepreneurial

environment will give you the support you need to apply your industry and technical experience to build your career across a wide range of services to meet our clients' most important needs. We have been supporting healthcare providers across the US since 2006.

What you will do: Be a trusted member of the engagement team supporting a NY-based independent hospital client. Work collaboratively with our client's highly skilled technical staff supporting a mature Altera SCM environment. The Analyst/Consultant role is focused on performing special projects and application build, maintenance, and support. The Analyst/Consultant will utilize expertise with SCM Core build to support the SCM environment. The Report Writer/Consultant will utilize expertise with MLM to build, maintain and troubleshoot clinical and revenue cycle reports

Responsibilities including: Demonstrate significant knowledge and possess extensive experience including:: Understand Altera SCM functionality and methodology Participate in cross-functional teams as required to ensure alignment of application build and workflows. Facilitate requirements gathering and workflow analysis. Provide support during testing, training, and implementation of applications or reports. Identify issues with workflows/build and develop solutions to remediate. Provide support to stakeholders including business operations staff or clinical providers. Requires knowledge of clinical or business workflows in healthcare provider environment. Must have advanced communication skills, including good verbal and written skills. Requires good time management with ability to multi-task and complete projects within established timelines.

Qualifications Successful candidates will have: Bachelor's degree in a related field or experience in lieu of a degree. SCM Analyst/Consultant must five plus years of SCM Core build experience, including design, build and configuration. MLM Report/Consultant writer must possess five plus years of SCM MLM business intelligence experience. Proven ability to provide consulting services remotely or onsite at client locations. Related healthcare experience, operational or clinical, highly preferred. Demonstrated skills in the areas of time management, communication, interpersonal skills, relationship building, collaboration, and problem solving.

Additional Information For California, Colorado, New York and Washington: The compensation range for this role is \$37.90 to \$80.35. Actual compensation is influenced by a variety of factors including but not limited to skills, experience, qualifications, and geographic location. Due to the continued growth of our consulting practice, we are currently recruiting an Altera Sunrise Clinical Manager (SCM) Analyst/Consultant and an Altera SCM Medical Logic Module (MLM) Report Writer/Consultant to join our Digital Solutions Healthcare IT team.
