Facilities Maintenance Manager

[Apply Now](#)

Company: Central Transport

Location: United States

Category: other-general

Central Transport, LLC, a leading LTL transportation company with locations throughout the United States is looking for a Facilities Maintenance Manager to join its construction and facility maintenance department based in Warren, MI. Candidates should be capable of working with executives at the corporate office and personnel in the field in a professional manner. The ideal candidate will possess the following: A Bachelor's degree is preferred but not required. Facilities Maintenance experience and technical knowledge. An ability to multitask and coordinate multiple projects at once. Excellent written and verbal communication skills. Well organized and able to reduce operating costs. Computer savvy, able to generate reports effectively to ownership. Ability to self start and follow up as needed. Ability to work in a fast-paced and at times intense environment. Duties include, but are not limited to: Plan and coordinate installations (HVAC, electric, plumbing, roofing, structure, etc.) and refurbishments. Managing the upkeep of company facilities and property. Inspecting buildings structures to determine the need for repairs or renovations. Review facilities staff and maintenance contractors. Allocate office space according to needs. Coordinate snow and lawn contracts. Travel as needed.
