### **The Community**

The city is located in beautiful Northern California, an hour northwest of Reno, NV and is a very attractive and growing part of California, boasting the most affordable real estate in California. The population is growing as more and more relocate from the big city, looking for a small town feel surrounded by the beautiful mountains. The town offers pleasant riverside walks, hearty dining and a welcoming atmosphere.

The area offers an outdoor recreation paradise encouraging camping, hiking, fishing, snowmobiling, snow shoeing and cross-country skiing. Eagle Lake, the second largest natural lake in California, is located just north and is home to the world-famous Eagle Lake Trout, a species entirely unique to the lake. These especially large trout average 3-5 lbs and attract fishing enthusiasts from around the world. Camping facilities, boat launch, marina, swimming beach, and picnic areas are located around the lakes shoreline.
