actively recruiting for a PACE Physician to join our team in IA. Choose a career that matters at Health. At Health, we believe that our patient-centered vision and physician-driven philosophy, along with our one team approach, ensures every patient knows just how much they matter to this world. Commitment to our team has earned us a spot on the Top 150 Place to Work in Healthcare 2022 by Becker's Healthcare. Come be an essential part of our core purpose—to improve the health of the people and communities we serve. At Health, you matter.

Clinic

Clinic is a physician-led, nonprofit health care organization offering comprehensive services in primary care, walk-in care, and specialty care. The clinical teams at the area's clinics are improving outcomes, lowering the number of hospital readmissions, and reducing avoidable costs associated with treating chronic conditions. The Clinic team is known for excellence and quality patient care putting patients at the center of their care to provide the best level of health and well-being.

PACE

Operated by Health – this Program of All-Inclusive Care for the Elderly helps you live as independently and healthy as possible in your home and within the community through a range of services. The only program of its kind in this area, Siouxland PACE provides added peace of mind for our participants and their families. The program provides a unique

opportunity for you to work with a team of PACE professionals committed to your health and well-being.
