

## Family Medicine - Physician - South Avenue, Staten Island, NY

[Apply Now](#)

Company: Mount Sinai Health System

Location: New York

Category: healthcare-practitioners-and-technical

\*The Mount Sinai Health System is currently seeking a full-time Family Medicine Physician to join Mount Sinai Doctors Staten Island. \*This multi-specialty practice is located at 1441 South Avenue in Staten Island, NY. Staten Island is the southernmost of New York City's 5 boroughs. It is connected to Lower Manhattan via the Staten Island Ferry, which runs across New York Harbor. With easy access to Brooklyn and Central New Jersey, Staten Island is a residential community, with many attractions for families, such as the Snug Harbor Cultural Center, Zoo, Botanical Garden, and the Staten Island Children's Museum. The large patient community typically stays on Staten Island for their routine care. Mount Sinai Doctors Staten Island offers comprehensive care where patients can see a variety of specialties. Additionally, the site has a comprehensive support team, including medical assistants. Ideal candidates will give excellent care to a diverse community of patients. The selected candidate will play an instrumental role in ensuring excellent patient care, quality outcomes, and satisfaction. In addition, the candidate will be a talented physician with a passion for outpatient medicine and be fully committed to mission of Mount Sinai Health System. The chosen candidates will have the opportunity to partner with world renowned, Icahn School of Medicine. Mount Sinai's Department of Family Medicine is strongly committed to caring for the whole patient and places special emphasis on providing patient-centered care. The division embraces the mission of Icahn School of Medicine by pursuing an integrated approach to patient care, research, and education. Pursuit of all dimensions of these three components, are considered inseparable elements of the art and science of medicine.\*Position Description:\*\* Provide medical care in high-functioning outpatient

environment\* University affiliated; community based practice\* Collaborate with multi-specialty practice colleagues as an integral part of a world-class health system\* Benefit from the educational, research, and clinical programs of a nationally ranked Medical School\* Significant opportunities for leadership and career development\* Additional support staff\* Compensation range from 225K to 275K (not including bonuses / incentive compensation or benefits)\*Position Qualifications:\*

- Medical Degree from an Accredited University
- New York Medical License
- Board Eligible or Board Certified in Family Medicine or Internal Medicine
- Committed to Mount Sinai and the communities we serve
- Excellent communication, bedside manner, and organizational skills
- A strong work ethic and desire to participate in a team-oriented, performance-driven Health System

\*Salary Disclosure Information:\*

Mount Sinai Health System provides a salary range to comply with the New York City law on Salary Transparency in Job Advertisements. Actual salaries depend on a variety of factors, including experience, specialties, historical productivity, historical collections, and hospital/community need. As such, an actual salary may fall closer to one or the other end of the range, and in certain circumstances, may wind up being outside of the listed salary range. The salary range listed is for full-time employment and does not include bonuses / incentive compensation or benefits.\*

**About Staten Island:**\*Staten Island abounds with architectural landmarks, beaches and parkland that you can explore. Many reach the borough via the free Staten Island Ferry, an attraction in its own right. It provides views of the Statue of Liberty, Ellis Island, and Lower Manhattan. Other highlights include shopping at Empire Outlets in St. George and wandering the gorgeous grounds of Snug Harbor and Historic Richmond Town. Motor traffic can reach the borough from Brooklyn via the Verrazzano-Narrows Bridge and from New Jersey via the Outerbridge Crossing, Goethals Bridge and Bayonne Bridge. Staten Island has Metropolitan Transportation Authority (MTA) bus lines and an MTA rapid transit line, the Staten Island Railway, which runs from the ferry terminal at St. George to Tottenville.\*

**About the Mount Sinai Health System:**\*Mount Sinai Health System is one of the largest academic medical systems in the New York metro area, with more than 43,000 employees working across eight hospitals, more than 400 outpatient practices, more than 300 labs, a school of nursing, and a leading school of medicine and graduate education. Mount Sinai advances health for all people, everywhere, by taking on the most complex health care challenges of our time — discovering and applying new scientific learning and knowledge; developing safer, more effective treatments; educating the next generation of medical leaders and innovators; and supporting local communities by delivering high-quality care

to all who need it. Through the integration of its hospitals, labs, and schools, Mount Sinai offers comprehensive health care solutions from birth through geriatrics, leveraging innovative approaches such as artificial intelligence and informatics while keeping patients' medical and emotional needs at the center of all treatment. The Health System includes approximately 7,400 primary and specialty care physicians; 13 joint-venture outpatient surgery centers throughout the five boroughs of New York City, Westchester, Long Island, and Florida; and more than 30 affiliated community health centers. We are consistently ranked by U.S. News & World Report's Best Hospitals, receiving high Honor Roll status, and are highly ranked: No. 1 in Geriatrics and top 20 in Cardiology/Heart Surgery, Diabetes/Endocrinology, Gastroenterology/GI Surgery, Neurology/Neurosurgery, Orthopedics, Pulmonology/Lung Surgery, Rehabilitation, and Urology. New York Eye and Ear Infirmary of Mount Sinai is ranked No. 12 in Ophthalmology. U.S. News & World Report's Best Children's Hospitals ranks Mount Sinai Kravis Children's Hospital among the country's best in several pediatric specialties. The Icahn School of Medicine at Mount Sinai is ranked No. 14 nationwide in National Institutes of Health funding and in the 99th percentile in research dollars per investigator according to the Association of American Medical Colleges. Newsweek's The World's Best Smart Hospitals ranks The Mount Sinai Hospital as No. 1 in New York and in the top five globally, and Mount Sinai Morningside in the top 20 globally. The Mount Sinai Health System is an equal opportunity employer. We comply with applicable Federal civil rights laws and does not discriminate, exclude, or treat people differently on the basis of race, color, national origin, age, religion, disability, sex, sexual orientation, gender identity, or gender expression. We are passionately committed to addressing racism and its effects on our faculty, staff, students, trainees, patients, visitors, and the communities we serve. Our goal is for Mount Sinai to become an anti-racist health care and learning institution that intentionally addresses structural racism.\*EOE
