

Family Medicine Physician

[Apply Now](#)

Company: University of Vermont Health Network

Location: Waterbury

Category: healthcare-practitioners-and-technical

We are seeking a highly skilled and compassionate Family Medicine Physician to join our dynamic medical team. As a Family Medicine Physician at our clinic, you will provide comprehensive medical care to patients of all ages, focusing on preventive care, diagnosis, and treatment of a wide range of medical conditions. Your expertise will play a crucial role in maintaining the health and well-being of our patients and their families.*Responsibilities:**

Conduct thorough patient evaluations, medical histories, and physical examinations.*

Diagnose and treat acute and chronic medical conditions, ranging in complexity.* Develop and implement personalized treatment plans that encompass medical, lifestyle, and preventative measures.* Manage an average of 14-16 patients per day, adjusting based on the complexity of cases.* Demonstrate proficiency in patient-centered communication and provide clear explanations of diagnoses, treatment options, and expected outcomes.*

Collaborate with interdisciplinary medical teams to ensure comprehensive patient care.* Maintain accurate and up-to-date electronic medical records.* Allocate time efficiently for 4 patient-facing 8-hour days and 1 administrative day, with some flexibility in scheduling.*

Participate in continuous medical education to stay current with advancements in medical knowledge and practices.* Uphold the highest ethical standards and maintain patient confidentiality.*Qualifications:**

Board certification as an MD or DO in Family Medicine.* Valid and unrestricted medical license in Vermont.* Strong clinical acumen and diagnostic skills.* Excellent interpersonal and communication abilities.* Compassionate and patient-centered approach to healthcare.* Commitment to lifelong learning and professional development.*

Ability to work collaboratively within a team-based care model.* Proficiency in electronic

medical records.*

Ability to work collaboratively within a team-based care model.* Proficiency in electronic

medical records.*

medical record systems.* Adaptability and flexibility in a fast-paced clinical environment. If you are a dedicated and skilled Family Medicine Physician seeking a fulfilling opportunity to make a positive impact on the health of individuals and families, we invite you to apply. Join our team and contribute to a patient-centric healthcare experience that emphasizes holistic care and preventive medicine.
