

Field Compliance Specialist (Health & Safety) (Saudi Arabia).

[Apply Now](#)

Company: Eram Talent

Location: Washington Highlands, Washington, D.C.

Category: other-general

Eram Talent is currently hiring a Field Compliance Coordinator (Health & Safety) for one of our esteemed clients in the oil and energy industry. As a leading Talent Acquisition Consultancy, we pride ourselves on our ability to find and place highly skilled professionals in various industries. In this role, the Field Compliance Coordinator will play a crucial role in ensuring compliance with health and safety regulations and policies in field operations. The successful candidate will work closely with field personnel, contractors, and other stakeholders to identify potential hazards, assess risks, and develop and implement safety programs and procedures.

If you are selected, the job location would be Onsite at Saudi Arabia.

Responsibilities

Develop, implement, and maintain health and safety programs and procedures

Perform regular inspections and audits to assess compliance and identify hazards

Provide training and support to field personnel on health and safety practices

Investigate incidents and near misses, and recommend corrective actions

Ensure compliance with all relevant regulations and standards

Collaborate with other departments to promote a culture of safety and continuous improvement

Stay up-to-date with industry best practices and emerging regulations

Requirements

Bachelor's degree in Occupational Health and Safety or a related field

Minimum of 15 years of experience in health and safety compliance in the oil and energy industry

Knowledge of relevant health and safety regulations and standards

Strong communication and interpersonal skills

Ability to conduct thorough inspections and audits

Experience in incident investigation and corrective action implementation
