

Field Service Technician

[Apply Now](#)

Company: PEAK Technical Staffing USA

Location: Exton, Pennsylvania

Category: other-general

P-DPD-001

Currently looking for a Field Service Technician to travel (up to 80% mostly in the US and Canada) to customer sites to provide installation, start-up, troubleshooting, training and maintenance support for the equipment we manufacture.

Qualifications Needed:

Previous experience working in a mechanical, hands-on position is preferred.

Current driver's license and passport (or the ability to obtain one) is required.

The ability to read and understand mechanical drawings and electrical schematics and the ability to demonstrate mechanical and electrical aptitude.

The ability to use mechanical hand tools and electrical trouble shooting tools

Must be able to travel, mostly in the US and Canada, up to 80%. (Very minimal travel will be on weekends.)
