[Apply Now](#)

Company: Crown Cork & Seal USA, Inc.

Location: OLYMPIA

Category: other-general

### Position Overview:

This is a dual position:

- The forklift operator ensures the packaging, handling, and shipment of a quality product that meets or exceeds customer expectations.
- The Palletizer Operator works independently

**Location:** Olympia, WA

**Salary:** \$26.72 average/ per hour – Forklift Driver

\$26.72 average/ per hour – Palletizer Operator

**Benefits:** Crown offers competitive pay, comprehensive benefits including free company paid health insurance for employees as well a free pension plan.

### Forklift Operator duties and responsibilities:

Reporting directly to the Plant Shipping Supervisor, the Forklift Driver/Operators responsibilities would include, but not be limited to, the following:

- Ensures all equipment, guards, and safety devices are in place at all times, and follows safe work procedures and safety rules
- Operates sit-down propane forklift to transport inventory and load tractor trailers for shipment.
- Transports inventory in warehouse to correct locations and stages orders for shipment.
- Understands daily production schedule and corresponds with management, leads, and coworkers accordingly
- Performs visual inspection of aluminum cans and packaging quality

- Monitors schedules, equipment, or processes, and reports problems to Supervisor
- Follows all SOP's (standard operating procedures) and communicates with proper personnel as concerns or issues arise
- Assist Quality Assurance in locating pallets for sampling
- Performs other related duties as required
- The above information reflects the general job duties and should not be construed as a detailed description of all work requirements.

### **Palletizer Operator Duties and Responsibilities:**

The Palletizer Operator is an entry-level position will be responsible for operating automatic can palletizing equipment to pattern and/or transfer cans to and from pallets.

- Minimum 18 years old
- High School diploma or G.E.D preferred
- Equivalent with 3+ years working on a sit-down forklift experience required.
- Working in a manufacturing setting (high-speed manufacturing is preferred).
- Must be able to withstand extreme climate changes especially during summer and winter months.
- Effective and proven communication skills (both written and verbal) working in a team environment.
- Proven ability to effectively manage multiple projects/tasks at the same time.
- Effective record keeping skills and the ability to focus on details
- Must be able to stand for prolonged periods as well as work on elevated stationary platforms and withstand extreme climate changes especially during summer months.
- Demonstrated strong attention to detail, good record keeping, and precision abilities is highly desirable.
- Must be able to work 12-hour shifts, either nights from 6 p.m. to 6 a.m., or days from 6 a.m. to 6 p.m., weekends and overtime as business needs dictate.
- This position requires union membership after 30 days of hire.

### **Preferred Requirements**

- OSHA/Forklift Trainer Certified
- Beverage Packaging industry experience
- Knowledge of AS400
