CharterCARE Health Partners (CharterCARE) is a community-based healthcare system anchored by two acute care hospitals. Roger Williams Medical Center is a leading research and teaching hospital that hosts a nationally recognized cancer center. Our Lady of Fatima Hospital is a high-quality community hospital that hosts one of New England's best rehabilitation medicine programs. Both hospitals are minutes away from the heart of historic Providence, Rhode Island, a regional hub of cultural, entertainment and eating excellence. CharterCARE invites applications from board eligible General Surgeon graduating residents and established board eligible/certified practicing general surgeon physicians who are interested in full-time opportunities that provide a mix of outpatient and inpatient general surgical services. Successful applicants will enjoy a professional, collaborative practice environment supported by a team of general surgeons. We maintain a weekly schedule and share in rotating weekend call coverage. We welcome you to join our growing medical staff, each of whom shares a real commitment to patients, families, the community, and our fellow care team. *About CharterCARE Health Partners and Our Lady of Fatima: *Our Lady of Fatima provides seamless patient access to a wide range of experienced, compassionate physicians, specialists, and expert fellow care team leaders. CharterCARE delivers advanced treatment services in acute care surgery (no trauma), Hematology-Oncology, Surgical Oncology, Pulmonary Diseases, Geriatric Medicine, Internal Medicine, Podiatry, and Rheumatology. * *We provide state of art surgical technology, orthopedic joint replacement center of excellence (including the Mako robot-assist), geriatric surgical verification, bariatric surgery center of excellence, and behavioral health services, with

approximately 550 medical staff members.*CharterCARE Outstanding Benefits and More:** Highly competitive salary and other eligible financial incentives* Generous Sign-On Bonus* Robust benefits options including 401k, dental, vision, life insurance, and more* Exceptional paid time off and sick time* Excellent CME allowance and CME time* Employer Paid Malpractice Coverage* Seamless onboarding program with expert clinical operations within a provider supportive system* Free easy access to on-site parking *Requirements:** Board Certified in General Surgery* Rhode Island License, Federal DEA, and Controlled-Substance Registration*Love Where You Live and Where You Work*New England's best-kept secret, Rhode Island boasts magnificent natural beauty, is abundant in recreational opportunities, and vibrant cultural arts, plus a cost of living that is a fraction of nearby Boston and New York City. The area is populated by highly desirable, quaint family-oriented towns anchored by exemplary high-performance school systems, some of which are the best in New England. For those who enjoy city life, Providence provides theater, music, and fine dining. Rhode Island is the region's ideal location, located within driving distance of Boston, New York City, Cape Cod, Massachusetts, and the tranquil mountains of Vermont and New Hampshire. Closer to home, residents enjoy boating and fishing on beautiful Narragansett Bay, miles of coastline beaches, destination seaports such as Newport and Watch Hill. Whether it is the rural, suburban, or urban life you desire, you will find it here.
