Weill Cornell Medicine in partnership with *NewYork-Presbyterian Medical Group/Queens* is seeking a BC/BE *general* *urologist* to join our team in the Department of Urology. The position includes an academic appointment at the James Buchanan Brady Foundation Department of Urology at Weill Cornell, one of the top-ranked multidisciplinary clinical and research teams in the country.*NewYork-Presbyterian/Queens* is a 535-bed busy tertiary facility academic affiliate of Weill Cornell Medical College which serves over two million residents in the borough of Queens. Our academic programs include three graduate medical education residency programs and six fellowship programs. Queens, home to Flushing Meadows Park, is proud to host both the New York Mets baseball team and the US Open Tennis Tournament. As one of the most ethnically diverse urban areas in the world, Queens can satisfy nearly every taste. Foodies covet the Greek cuisine of Astoria and the authentic Asian food in Flushing; others admire the inventive art at Socrates Sculpture Park and the stunning flora at the Queens Botanical Garden. In the borough's southern extremes, the surf is always up at Rockaway Beach. The position is open to both new graduates and experienced general urologists. We offer a competitive salary and benefits package. The selected candidate will be an employee of Weill Cornell Medicine and hold an academic appointment at Weill Cornell Medical College. Salary and academic rank will be commensurate with the candidate's experience and credentials.
