Company: Atlantic MEDsearch

Location: Charlotte

Category: healthcare-support

Seeking a well-rounded Geriatrician for a brand new practice. New graduates and experienced physicians welcome. Work in an outpatient, hospital managed practice. All inpatient needs are referred to the hospitalist department. Responsibilities involve a wide scope of geriatric/IM medical care. With the hospital's consistent growth, advanced patient care and current patient load the new physician will hit the ground running. Financial plan includes a competitive salary, incentives, excellent benefits, retirement, malpractice, vacation/CME, relocation and may include a commencement bonus. Area provides all types of communities: lakeside, country, gated neighborhoods or Main Street living. City's location gives residents the ability to experience small town life while taking advantage of all the attractions that Charlotte has to offer. For more details on this position & others we have, email us at atinfo@atlanticmedsearch.com or call 954-344-0606.
