Job Duties

About Us:

Our mission is to save lives, reduce injuries and economic loss, administer Ohio's motor vehicle laws and preserve the safety and wellbeing of all citizens.

What You'll Do:

Ohio Department of Public Safety - Ohio State Highway Patrol

Report In Location - 1970 W Broad Street, Columbus 43223

[CURRENTLY HYBRID ELIGIBLE] Will report into the office 3 days a week and telework 2 days a week. Subject to change.

Under direction of the GIMS System Administrator, conducts complex analysis of multiple Ohio State Highway Patrol (OSHP) Geographic Information Systems (GIS) databases (, Statistical Analysis Unit (SAU) Computer-Aided Dispatch System (CAD), Ohio Department of Public Safety (ODPS) Electronic Crash System, fatal crash database, & OVI checkpoint database); Utilizes GIS software (MapInfo Professional) to produce &/or revise maps related to highway crash statistics &/or OSHP enforcement activities; Designs & implements, independently or in coordination with other SAU staff, data analysis functions that involve the creation of GIS maps &/or the data used in the creation of maps; Utilizes macro-language programming &/or Structured Query Language (SQL) for GIS operations; Coordinates applications design & finalizes products based on user needs.

Assists &/or educates users regarding GIS technology &/or the opportunities GIS technology affords to resolve resource management issues; Ensures that GIS operations adhere to applicable standards for data capture, data manipulations & output (, systematically organizes files on server; maintains data integrity, etc.); Transforms final products to storage media; Generates data reports to include meta-data &/or describe mapping results; Prepares &/or delivers presentations related to the Divisions mapping capabilities &/or the results of data analysis using mapping technology.

Performs other duties as assigned by the GIMS System Administrator &/or SAU supervisor (, assists other sections staff with research & evaluation projects relating to the Divisions goals & objectives; performs miscellaneous clerical tasks; attends applicable trainings &/or meetings, etc.).

What's in it for you:
