Grade 4 Physiotherapist – Clinical Leader General Medicine

Full time permanent position

Passionate clinical expert in acute patient management across General Medicine

Provide strategic team leadership, drive strong clinical governance and clinical expertise

The General Medicine service at the Royal Melbourne Hospital (RMH) is committed to providing outstanding patient care. In 2023 we are introducing a new, contemporary model for Allied Health in General Medicine to redefine care for our patients and the experience of our highly regarded team across 7 days.

A significant growth in dedicated staffing will support service enhancement and deliver a career structure to develop specialist clinical, research, education and leadership skills for Allied Health working in General Medicine. We are looking for new Allied Health professionals to join our highly experienced and skilled team in delivering this new 7-day Allied Health service.

We need dynamic Senior Clinicians, passionate clinician-researchers, junior staff who want to develop in an inspiring environment and clinicians who want to make a difference in our General Medicine Units every day. There has never been a better time to join us!

The RMH Physiotherapy service is made up of over 110 staff providing services across the

City and Royal Park Campuses. We have an exciting opportunity for a passionate and experienced Grade 4 Physiotherapist to join our dynamic and friendly General Medicine Physiotherapy Team. This is a full-time position is based at The Royal Melbourne Hospital, City Campus.

Your new role:

Provide clinical expertise and leadership within the MDT for general medicine patients with complex care needs

Be involved in the mentoring, supervision and education of junior Physiotherapists

Represent General Medicine team at senior leadership meetings

Inspire priorities for innovation and improved service delivery, and grow our research capability

Develop and maximise use of clinical governance and infrastructure.

Lead Quality Improvement planning and implement initiatives

About you:

You have extensive experience as a clinical physiotherapist to effectively assess and treat a variety of patients in the general medical care setting.

You demonstrate strong leadership, research, service development skills and a passion for general medicine.

You are an influential leader with a track record of driving change within a complex healthcare environment and fostering the growth and development of the wider team.

You hold, or are working towards, a relevant postgraduate qualification.

Benefit of working with The Royal Melbourne Hospital:

You will enjoy excellent work-life balance in a supportive and collaborative team. We want you to stay long term!

Comprehensive Health & Wellbeing Programs including onsite staff gym, Staff Medical Service, Employee Assistance Program, Peer Support Program - run by our dedicated employees

Join a values based organisation offering great prospects for career diversity and

professional advancement, including training and research opportunities, and access to mentorship and leadership programs

Salary packaging options, monthly ADOs (That's an additional day off every month!), onsite car parking, close to public transport.

The RMH stands in solidarity with First Nations people in work and care. We are proud to be a workplace that champions diversity, inclusion and equality for our staff and our community. Our goal is for our people to feel safe, included and supported so that they can be at their best every single day. We encourage talented people from all backgrounds, abilities, and identities to apply to our vacancies, and will consider adjustments to support such applications.
