Company: Doctor's Choice Placement Services

Location: United States

Category: other-general

Description

ID position in Central North Florida near Gainesville!!

Private Group of 2 seeking inpatient Infectious Diseases physician to join practice as a hospitalist.

Both members are board certified and have been part of the community for 10+ years.

The duties would include providing inpatient care and emergency room call coverage as a hospitalist for the practice.

Potential Call Coverage: 1 in 3

There are 5 ID physicians in the Primary and Secondary Service Areas (600,000).

There is a need for additional Infectious Disease physician to provide inpatient care as hospitalists for Hospital in order to serve the growing population of the city and surrounding County based on the latest Community Needs Assessment.

Competitive financial package: Hospital will partner with group/incoming physician with an income guarantee and overhead allowance for the first year. Nice benefit package by group: vacation, CME, retirement, relocation allowance, paid malpractice, commencement bonus, potential for medical education debt assistance.
