Company: RH

Location: Metairie

Category: other-general

RH at its core is about taste, and we believe the idea of scaling taste is large and far reaching. The RH brand attracts the best designers, artisans, manufacturers and talent in our industry, scaling and rendering their work more valuable across our integrated platform, enabling us to curate the most compelling collection of luxury home furnishings in the world. We are moving the brand beyond curating and selling products to conceptualizing and selling spaces by building an ecosystem of products, places, services and spaces that elevates and establishes the RH brand as a global thought leader, taste and place maker.

At RH we believe deeply that the right people are our greatest asset. We value people with high energy, who possess the ability to energize others. People who are smart, creative and have a point of view. People who see the answer in every problem, versus those who see the problem in every answer. People who are driven, determined and won't take no for an answer. We value team players, people who are more concerned with what's right, rather than who's right.

RH Interior Designers play an integral role in providing design services to walk-in clientele within an RH Gallery. They will work in collaboration with Lead Designers and Gallery Leadership. They are innovators with an entrepreneurial spirit and a passion for establishing and fostering relationships.
