Health System is committed to improving the health of our communities and focuses on the overall patient experience, whether it is in our hospitals or one of our outpatient facilities.

Medical Center is a 237-bed facility and Hospital is a 45-bed facility which includes inpatient hospice. With over 2,200 employees, we are proud of the quality care and compassion we provide to our patients each day.

The Heart Institute at the Medical Center offers inpatient and outpatient services dedicated to the detection and treatment of cardiovascular diseases, which includes but not limited to, cardiac cath, pacemakers, EKG testing, holter monitoring, interventional cardiac procedures, such as coronary stents and angioplasty. Institute also provides a wide variety of emergency cardiac services. Inpatient cardiac procedures are performed in the cardiac catheterization laboratory, while outpatient cardiac services are provided in the Cardiology department at the Medical Center.

It is a great home for your medical practice and your family. Offering a great blend of a small Southern town and with one of the fastest growing cities in Georgia, our community

features both an outstanding quality of life and opportunities for a successful practice.

Located centrally in the state of Georgia, we are less than a two-hour drive to Atlanta and less than a three-hour drive to the Georgia coast or the mountains of North Georgia and North Carolina. You'll love what you find!
