### About Us:

EMSC is a dynamic digital marketing agency located in the vibrant West Loop neighborhood of Chicago, IL. We specialize in delivering top-notch services in SEO, paid advertising management, and web design & development. Our team is driven by innovation, creativity, and a passion for helping our clients achieve online success.

### Job Description:

EMSC is seeking a motivated and talented Junior Wordpress Developer to join our growing team. As a Junior Wordpress Developer, you will play a crucial role in supporting our web design & development projects, working closely with our experienced team to deliver outstanding websites and online experiences for our clients. This position will primarily involve maintenance, updates, and support for existing websites, collaborating with multiple teams including design, development, SEO, and advertising.

### Responsibilities:

Perform maintenance, updates, and general support for existing websites.

Collaborate with cross-functional teams, including design, development, SEO, and advertising, to ensure websites meet client objectives.

Update and maintain websites using HTML, CSS and JS, ensuring a seamless and visually appealing user experience.

Assist in WordPress updates and customization through PHP template files and admin panel updates.

Troubleshoot and resolve website issues and bugs as needed.

Ensure website content is up-to-date, including page/post updates, image updates, and content changes.

Stay updated on industry best practices and emerging web development trends.

Develop websites with pixel-perfect precision according to design specifications provided in Figma files

**Qualifications:**

Proficiency in HTML and CSS.

Basic knowledge of WordPress and PHP.

Strong attention to detail and a passion for maintaining and improving websites.

Good problem-solving skills and the ability to work effectively in a team.

Excellent communication and time-management skills.

A willingness to learn and adapt to new technologies and tools.

**Additional Benefits & Perks:**

401k retirement plan.

BCBS PPO Health Insurance.

Option for a hybrid or fully in-office work schedule.

Cold brew on tap in the office.

A variety of snacks to keep you fueled and energized.

West Loop / West Town brick-and-mortar office

### **Career Growth Potential:**

At EMSC, we believe in nurturing talent and providing opportunities for career advancement. As a Junior Web Developer, you will have the chance to learn from our experienced team members and gain valuable skills in digital marketing and web development.

We believe in promoting from within and encourage our team members to take on new challenges and responsibilities as they grow. Your dedication and hard work can lead to exciting career opportunities within our organization. Join us in shaping the digital landscape and advancing your career with EMSC.

### **How to Apply:**

If you're a motivated individual with a passion for web development and want to be a part of a dynamic team at EMSC, we encourage you to apply! Please send your resume, a cover letter highlighting your relevant experience, and any relevant portfolio links to [hiring@emsc.com](mailto:hiring@emsc.com)

Join us in shaping the digital landscape and making a difference for our clients. EMSC is an equal opportunity employer, and we look forward to reviewing your application.
