LICENSED PRACTICAL NURSE POSITION SUMMARY

The Licensed Practical Nurse (LPN) delivers quality care that is consistent within the scope of practice as outlined by the local state nurse practice act for Licensed Practical/Vocational Nurses. The LPN is responsible for tasks, activities and functions as delegated and may make assignment of duties to others as defined in their state of practice act. The LPN provides monitoring of patients as directed by the HSA, DON, RN, or Medical Director or other practitioner.

LICENSED PRACTICAL NURSE MINIMUM REQUIREMENTS

Graduate from a Licensed Practical Nursing program.

Currently licensed as a Practical Nurse in the state of employment.

Possesses an active CPR certification.

Remains knowledgeable about specific state laws and regulations governing practice.

Satisfactory completion of initial and annual clinical competencies to demonstrate aptitude as assigned by role.

LICENSED PRACTICAL NURSE ESSENTIAL FUNCTIONS

The LPN utilizes a systematic approach to meet the health needs of each individual patient.

The LPN implements nursing care within the LPN's scope of practice. (Includes compliance with all laws as applicable in the practice setting).

The LPN assists in the development and implementation of teaching plans based on the individual needs of the patient. The plans should speak to health promotion, maintenance, and restoration of health.

The LPN cares for wounds with appropriate cleaning and dressing/bandaging.

The LPN administers medications to offenders.

The LPN provides for the care of multiple patients as directed by the Medical Director, DON, or Registered Nurse.

We're people who are fueled by passion, not by profit.
