Company: Universal Logistics Holdings, Inc.

Location: United States

Category: other-general

Universal Logistics Holdings, Inc. is currently seeking a Maintenance Manager for our facility in Detroit, MI. Job Duties Include: Training and developing employees, planning and delegating work, disciplining, handling employee complaints, and conducting performance reviews. Scheduling and administering fleet maintenance. Assisting in troubleshooting problems with equipment. Ensuring compliance on a day-to-day basis with State, Federal and Company regulations. Working closely with location manager and regional maintenance management, providing status updates. Ensuring maintenance technicians are trained on current operating procedures, are properly equipped, and are motivated so that the maintenance program can operate in a safe, timely, and cost-effective manner. Completing special projects as assigned, including performing hands-on work functions. Job Requirements: A combination of education and technical experience, including a minimum of 4 years hands-on mechanical supervisory experience is desired. Previous automotive or trailer repair experience. Subject to background check. In addition to the responsibilities listed above, the Maintenance and Repair Manager is responsible for working in direct coordination with the Regional Maintenance Director overseeing various maintenance shop tasks which include outlining and communicating job assignment priorities, condition reporting, ordering and receiving parts and tires, maintaining proper inventory levels, breakdown coordination, vendor repair coordination, processing repair orders, maintaining "Out of Service" and PM reporting, assisting personnel in the troubleshooting and completion of work, and regular direct communication with the Operations team. Universal offers a competitive base salary and benefits package including major medical, dental, 401K, and vacation in addition to offering

upward mobility within the company. If you are an energetic, self-motivated individual with the drive to become part of a growing organization, do not hesitate, respond today!
