Manufacturing Trainer

[Apply Now](#)

Company: Midcon Cables Company

Location: Bennettsville

Category: other-general

Midcon Cables Company, a leading provider of cabling and wire interconnect solutions for the Defense and Aerospace industry has an immediate opening for a **Manufacturing Trainer** at our Bennettsville, South Carolina facility inside Evans Correctional Institution. Schedule /Monday -Thursday- 6am -4pm

Qualified applicants must have manufacturing production experience that would include ability to work from drawings, diagrams, schematics, and specific verbal and written instructions. Follow and understand prescribed work methods, with pro-active aptitude. IPC-qualification – or IPC- certification training – a plus. Must be able to instruct and train individuals on job processes and classroom work.

Responsibilities/Duties

As a qualified IPC Trainer / Electronics Inspector, your primary responsibility will be to train Assemblers, Technicians, Quality Inspectors and pertinent Engineers in J-STD-001 and IPC-620 policies and procedures. As time allows, you will also inspect product and conduct/participate in various Regulatory, Customer and Internal Audits. This position operates with limited supervision. Experience within electronics manufacturing/inspection of PCBs, electronic assemblies, cable/wire harness assemblies and related technologies a plus.

Conducts and performs training, coaching and mentoring.

Develops and executes training schedules.

Ensure Operators maintain scheduled training to meet certification requirements.

Maintains training programs and materials.

Evaluates training programs and reports on trainee progress.

Provide assistance to the manufacturing engineers with 1st Article build and/or review of work instructions for production aids, evaluation of manufacturing processes and material list.

Preferred Additional Skills:

Strong verbal and written communication skills

Ability to instruct others in quality and manufacturing processes and procedures

Proficiency with Microsoft Office software (Word, Excel and Outlook)

Maintain certification as Certified IPC Trainer (CIT) J-STD-001 and IPC-620

Prior aerospace experience in electrical and mechanical, including but not limited to Soldering, Electrical Assemblies and Crimping a plus. Expected to adhere to, know and enforce all Company policies and procedures. Must be willing to attend on and off- site training classes as required.

Midcon offers a competitive benefits package including medical, dental, vision, disability, and life insurance. Paid vacation, holidays, 401(k) and participation in the Employee Stock Ownership Program.

Midcon Cables Company is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected Veteran status, age, or any other characteristic protected by law. **Qualified candidate must meet ITAR government regulations.**
