Do you have the career opportunities as a Medical Technologist you want with your current employer? We have an exciting opportunity for you to join Johnston-Willis Hospital which is part of the nation's leading provider of healthcare services, HCA Healthcare.

Benefits

Johnston-Willis Hospital, offers a total rewards package that supports the health, life, career and retirement of our colleagues. The available plans and programs include:

Comprehensive medical coverage that covers many common services at no cost or for a low copay. Plans include prescription drug and behavioral health coverage as well as free telemedicine services and free AirMed medical transportation.

Additional options for dental and vision benefits, life and disability coverage, flexible spending accounts, supplemental health protection plans (accident, critical illness, hospital indemnity), auto and home insurance, identity theft protection, legal counseling, long-term care coverage, moving assistance, pet insurance and more.

Free counseling services and resources for emotional, physical and financial wellbeing

401(k) Plan with a 100% match on 3% to 9% of pay (based on years of service)

Employee Stock Purchase Plan with 10% off HCA Healthcare stock

Family support through fertility and family building benefits with Progyny and adoption assistance.

Referral services for child, elder and pet care, home and auto repair, event planning and more

Consumer discounts through Abenity and Consumer Discounts

Retirement readiness, rollover assistance services and preferred banking partnerships

Education assistance (tuition, student loan, certification support, dependent scholarships)

Colleague recognition program

Time Away From Work Program (paid time off, paid family leave, long- and short-term disability coverage and leaves of absence)

Employee Health Assistance Fund that offers free employee-only coverage to full-time and part-time colleagues based on income.

Note: Eligibility for benefits may vary by location.

Our teams are a committed, caring group of colleagues. Do you want to work as a Medical Technologist where your passion for creating positive patient interactions are valued? If you are dedicated to caring for the well-being of others, this could be your next opportunity. We want your knowledge and expertise!

Job Summary and Qualifications

Our Medical Technologists (MT) perform assigned laboratory tests in specialty departments to include Hematology, Clinical Chemistry, Blood Bank, Serology, Coagulation, Urinalysis, and Microbiology. By conducting laboratory tests and procedures, you will help to provide data for the diagnosis, treatment, and prevention of disease.

Day-to-day duties include complex analysis of microscopic, immunologic, biologic, bacteriologic, hematologic, and chemical tests and their results.

You will also be responsible for specimen receiving and putting away supplies when received in the department.

You will troubleshoot/resolve instrument problems and document corrective action in appropriate log and when necessary, perform instrumentation repairs.

Assure that quality control is properly performed and logged and follow proper department procedure for corrective action.

Demonstrate the knowledge and skills to train new employees and/or students.

You will actively participate in phlebotomy and the accession responsibilities.

EXPERIENCE:Previous Medical Technologist or Medical Lab Scientist experience is preferred.

EDUCATION:A Bachelor's Degree in Medical Technology, Biological, Chemical, and/or Physical Science is required. A Nursing Degree will be considered with the required CLIA acceptable courses. A Bachelor's Degree in Medical Technology or Laboratory Science is preferred.

CERTIFICATION:Successful completion of registry within 12 months of hire for anyone with a hire date after 1/1/2005. Registry/Licensure in a specialty area will be considered. An ASCP, AMT, NCA, or HEW are preferred. Continuing education to maintain registry/licensure is required.

Medical Lab Scientist must be obtained within 1 year of employment start date

Bachelors Degree, or Associate Degree

is comprised of Chippenham Hospital and Johnston-Willis Hospital. We have served the greater Richmond Virginia area for over 100 years. Our campuses offer services in orthopedics, joint care, behavioral health, cancer care, and neurology. We have been recognized as a top performer on Key Quality Measures. Our care like family culture extends to our patients, our people and our community. We are committed to each other because when we join together, our patients are cared for in the safest and most compassionate way. HCA Healthcare has been recognized as one of the World's Most Ethical Companies® by the Ethisphere Institute more than ten times. In recent years, HCA Healthcare spent an estimated \$3.7 billion in cost for the delivery of charitable care, uninsured discounts, and

other uncompensated expenses.

Bricks and mortar do not make a hospital. People do.- Dr. Thomas Frist, Sr.
HCA Healthcare Co-Founder
