Additional info:

Cuready has been providing healthcare staffing throughout the US since 1999. Cuready provides experienced health care professionals for temporary, temp-to-perm and permanent placement services. We are committed to a one-on-one relationship with each and every professional we represent. Each healthcare professional working for Cuready is carefully and meticulously screened as to work experience, work history, education, and credentials. Cuready can provide healthcare professionals for a little as one day or for permanent positions lasting several years. Once needs are determined, Cuready maintains flexibility with our customer timeframes and requirements. Cuready prides itself on the number of healthcare professionals on staff and has the ability to provide such staffing to a facility within 24 hours.
