Description

Neurology Opportunity in Eastern Kentucky!!

Hospital Employed opportunity with Medical Center in Eastern Kentucky. Comprehensive benefits package includes sign-on, relocation, malpractice, CME. Paintsville is the county seat of the County, and is the focal point of commerce, banking, medicine, education and law for a multi-county region. Principle industries include mining and related businesses, product distribution facilities, growing wood products industry and a thriving tourism center. State Technical College, an integral part of the Community and Technical College is joined by two fully accredited high schools, two middle schools and seven public and private elementary schools in providing award-winning, highly ranked educational opportunities. State Park is the centerpiece of a recreational smorgasbord for the whole family. A championship 18-hole golf course, tennis courts, swimming pools, exercise tracks, ball fields for all age groups, fishing, boating, and hunting add to the recreational opportunities available to all.

The current 72 bed primary care facility serving families in five counties was opened in 1983, and expanded in 1994, as the modern successor to the Hospital. Recent additions of Neurological Radiology and LightSpeed VCT CAT scans have added significantly to the diagnostic capabilities available to our patients and physicians which include bone densitometry, MRI, mammography, brain and heart SPECT imaging, tomography and sonography and arthrograms.

With certified staff specialists in surgery, neurology, obstetrics, gynecology, internal medicine, ophthalmology, psychiatry, cardiology, radiology, urology, pulmonology, gastroenterology

and oncology, Hospital serves more than 45,000 people with a medical service that has not only remained in the top ranking of the Joint Commission on Accreditation of Healthcare Organizations, but has been the recipient of Accreditation with Commendation on three separate occasions in recent years.
