Choose an opportunity from dozens of cities; urban to rural. The national footprint of our medical affiliates provides candidates with a variety of practice settings and career opportunities

that will fit their professional practice goals. As a physician practicing with a medical affiliate in the Unified network, you will see the benefit of being affiliated with a large, national women's healthcare company while knowing that physician governance and clinical decision-making remains the exclusive domain of physicians. We are advocates for the Ob-Gyn medical affiliates in our network, advancing the business of medicine so they can focus solely on the practice of medicine. We help our medical affiliates both innovate and expand while providing tools, training, support, and additional practice resources. Our medical affiliate is a drug-free workplace and an Equal Opportunity Employer. #LI-Onsite
