Company: Sporcle

Location: United States

Category: business-and-financial-operations

Our hosts are energetic, funny, sassy, and love bringing people together. Their love for engaging and entertaining their communities makes them local celebrities.

Whether you're already great at entertaining a room full of people or up for the challenge, we'd love to have you on our team!

Have fun while making money—but not too much fun! Our hosts need to be responsible, punctual, and capable of working without supervision.

All you need is a laptop and personality! We'll provide the A/V equipment (don't worry, it's easier than programming the clock on your microwave), trivia content, and assign you a weekly event, either online or nearby.

Hosts must be at least 21 years old.
