Optometrist

[Apply Now](#)

Company: City Eye Optometry

Location: United States

Category: other-general

Company DescriptionAre you ready to revolutionize eye care and join a team dedicated to providing top-notch services with cutting-edge technology? Look no further than City Eye Optometry! We're on a mission to redefine the eyecare experience in Boston, Brockton, Bellingham, MA, and Middletown, Vernon, CT. At City Eye Optometry, we pride ourselves on offering the latest in eye care technology to ensure our patients receive the best treatment possible. These are inclusive of but not limited to: WAM 800 digital autorefractor/topographer, Essilor digital refraction systems, anterior segment imaging slit lamps, Daytona Optomap, iVue OCT. In addition to our comprehensive services, we also offer medical disease management, co-management, specialty contact lens fittings, dry eye treatments (TearCare), and more. Being a LensCrafters partner, we're able to provide our patients with private label contacts at a cost-effective price, ensuring they have access to healthier options.

Role DescriptionThis is a full-time on-site role for an Optometrist located in MA or CT. As the newest member of our practice, you'll provide exceptional eye care, conduct thorough eye exams to determine and diagnose vision problems, and prescribe corrective measures such as glasses and contacts. But that's not all – you'll also play a crucial role in diagnosing and managing eye diseases like glaucoma, cataracts, and macular degeneration. While we seek a talented and medically oriented optometrist, our ideal candidate is also a team player. We have a full staff of vibrant and personable technicians that are ready and excited to assist the doctor with pretesting, contact lens assessments, refractions, you name it! New and upcoming graduates are welcome to apply!

QualificationsDoctor of Optometry (O.D.) degree
Active state Optometry license (or to be

licensed for new graduates)Excellent clinical and diagnostic skillsStrong communication skills and ability to explain medical terms and procedures clearly to patientsAbility to work independently and as part of a teamExperience in pediatric eye care and contact lens fittings is a plusFamiliarity with electronic medical records and diagnostic equipmentCommitment to ongoing education and professional developmentBenefits:401(k) with matchHealth insuranceDental insuranceVision insuranceFlexible schedulePaid licensing feesPaid time off and paid holidaysRelocation assistanceContinuing education stipendProfessional liability coverageCompensation package:Bonus opportunitiesCommission payHealthcare setting:Medical officeSchedule:8 hour shiftWeekend availabilityJob Types: Full-time, Part-time
